

Considerations for Delivering Impactful Capacity Development

Tom Griffiths – Regional Director, Europe and Americas

Afghanistan – Demining Agency for Afghanistan (DAFA)

HALO meet DAFA HQ staff monthly to track progress against the capacity development plan and any other business

Afghanistan – Demining Agency for Afghanistan (DAFA)

DAFA lead on setting their own objectives and HALO supports with the plan to achieve them

Afghanistan – Demining Agency for Afghanistan (DAFA)

While DAFA have been operational in Afghanistan for decades, HALO is able to share its practices and knowledge from its global programmes with the DAFA team

Myanmar – various LNGOs

HALO staff delivering Train the Trainers medical training to local partners

Myanmar – various LNGOs

HALO staff delivering Train the Trainers medical training to local partners

Libya – Libyan Peace Organisation (LPO)

LPO BAC team conducting systematic line search at the General Company of Ports UEMS site in Skeirat, Misrata.

Libya – Libyan Peace Organisation (LPO)

LPO EOD team removing items from elevated warehouse structures at the General Company of Ports

LPO Bulk demolition of unexploded ordnance recovered during BAC at Skeirat UEMS

Libya – Libyan Peace Organisation (LPO)

Quality Management training conducted at HALO's office for HALO and LPO staff

A well-deserved certificate for LPO's Mr. Omran and a map designed by him a week after training showcasing tangible learning experience.

Libya – Libyan Peace Organisation (LPO)

Hands-on medical preparedness training, reviewing trauma response equipment for LPO's BAC team in Misrata

Fleet safety and best-practice training to HALO and LPO staff.

Ethiopia – Unity Demining Solutions (UDS)

HALO staff delivering Safeguarding training to UDS leadership. Matters of governance and compliance are incredibly important for donors, and an indicator of development progress

Unity Demining
Solutions Organization

Ethiopia – Unity Demining Solutions (UDS)

UDS staff graduating from NTS training ahead of being imbedded into HALO survey teams

Ukraine – Peaceful Haven in Kharkiv (PHK)

Partnering in 2025, HALO is enabling PHK's aspiration to develop its own survey and clearance capacity, complementing its work in Victim Assistance and other humanitarian assistance activities.

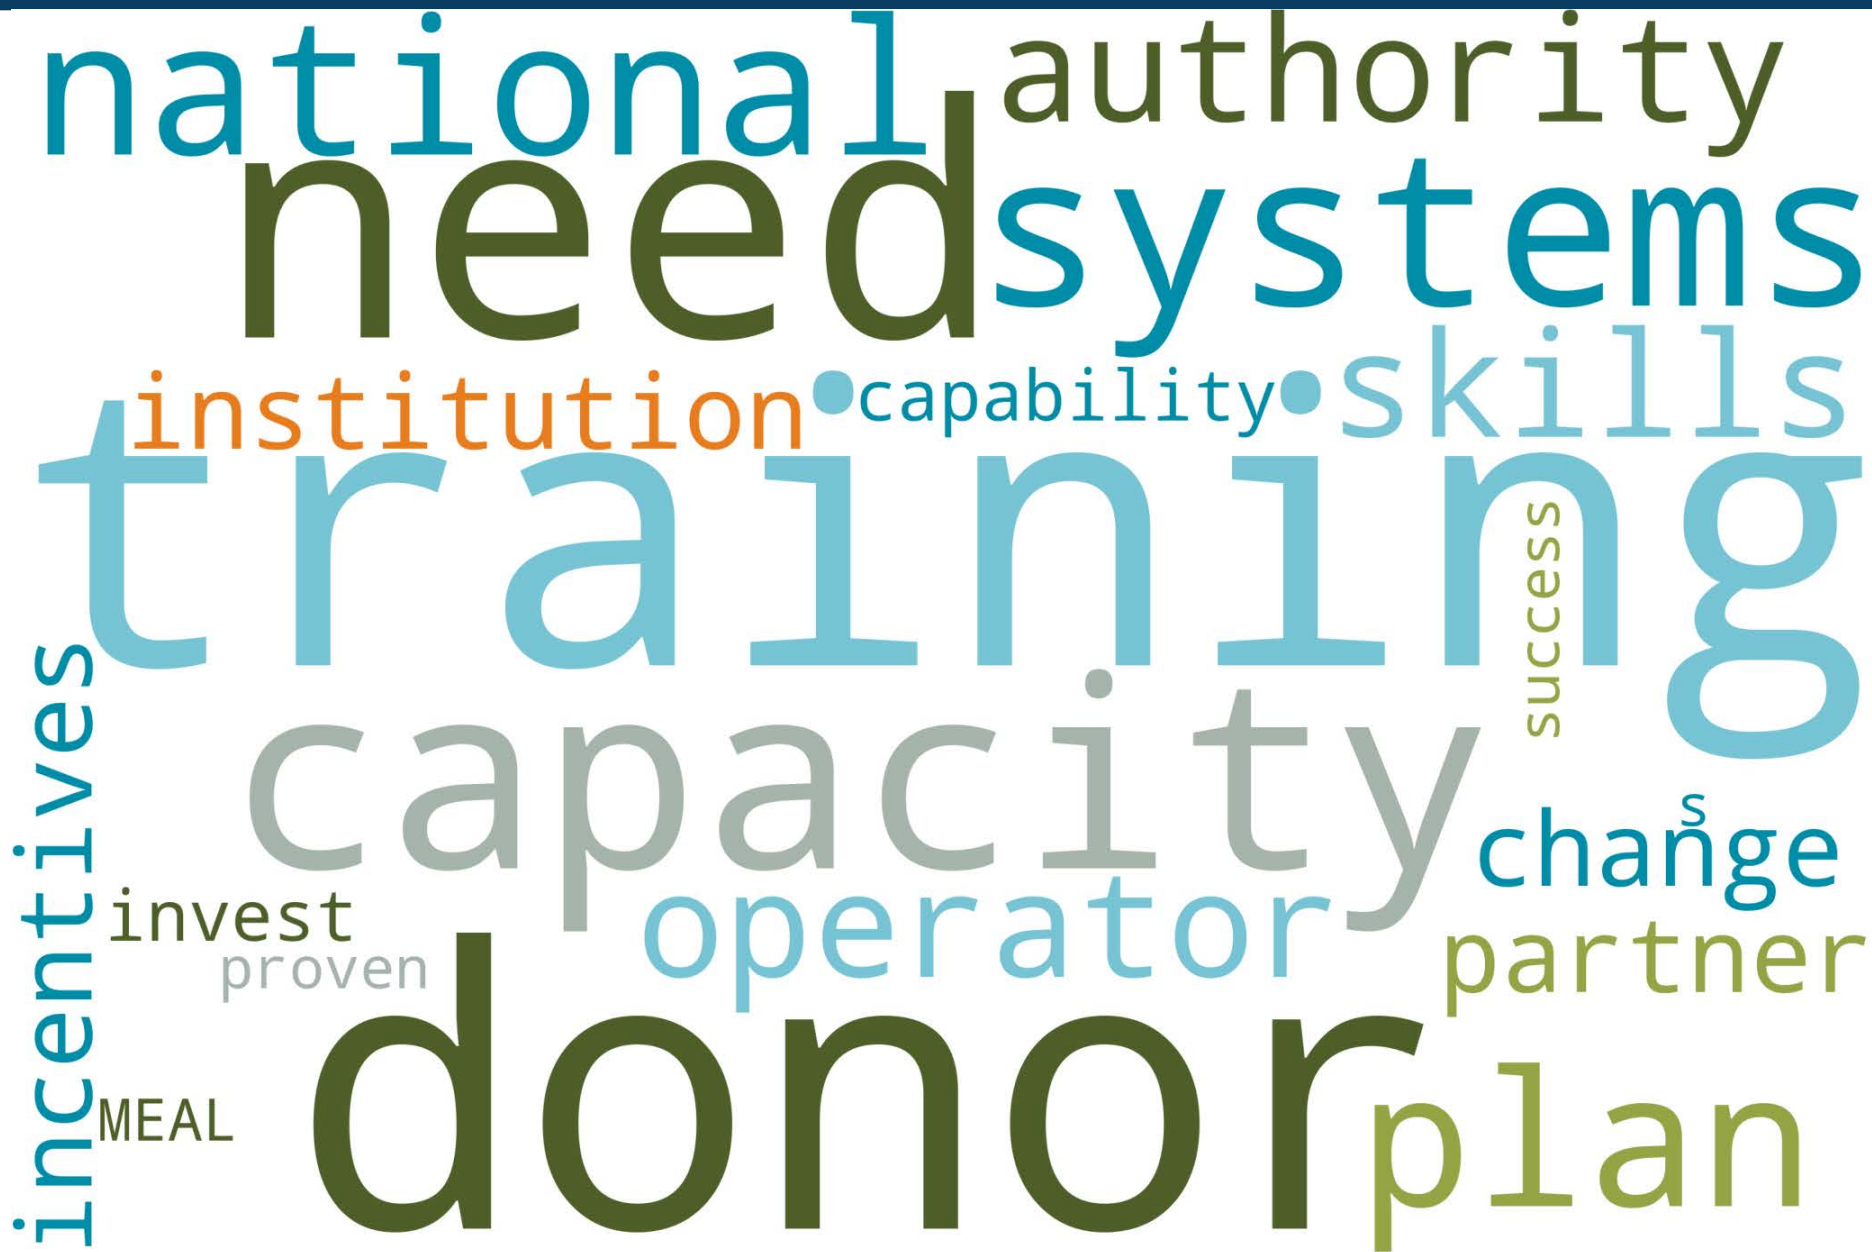

Ukraine – Peaceful Haven in Kharkiv (PHK)

PHK senior staff visit a minefield task for the first time. While Ukraine has successfully grown its commercial capacity, there are few Ukrainian NGOs accredited to deliver Land release activities
