- 100% safety record, a unique achievement in the industry.
- Internationally recognized IMAS compliant technical training courses.
- Fixed Training Establishment in Peja, which is a flagship establishment.
- “MAT” is the top global EOD School in the private sector.
- Clients include NGOs, commercial entities, security forces and military.

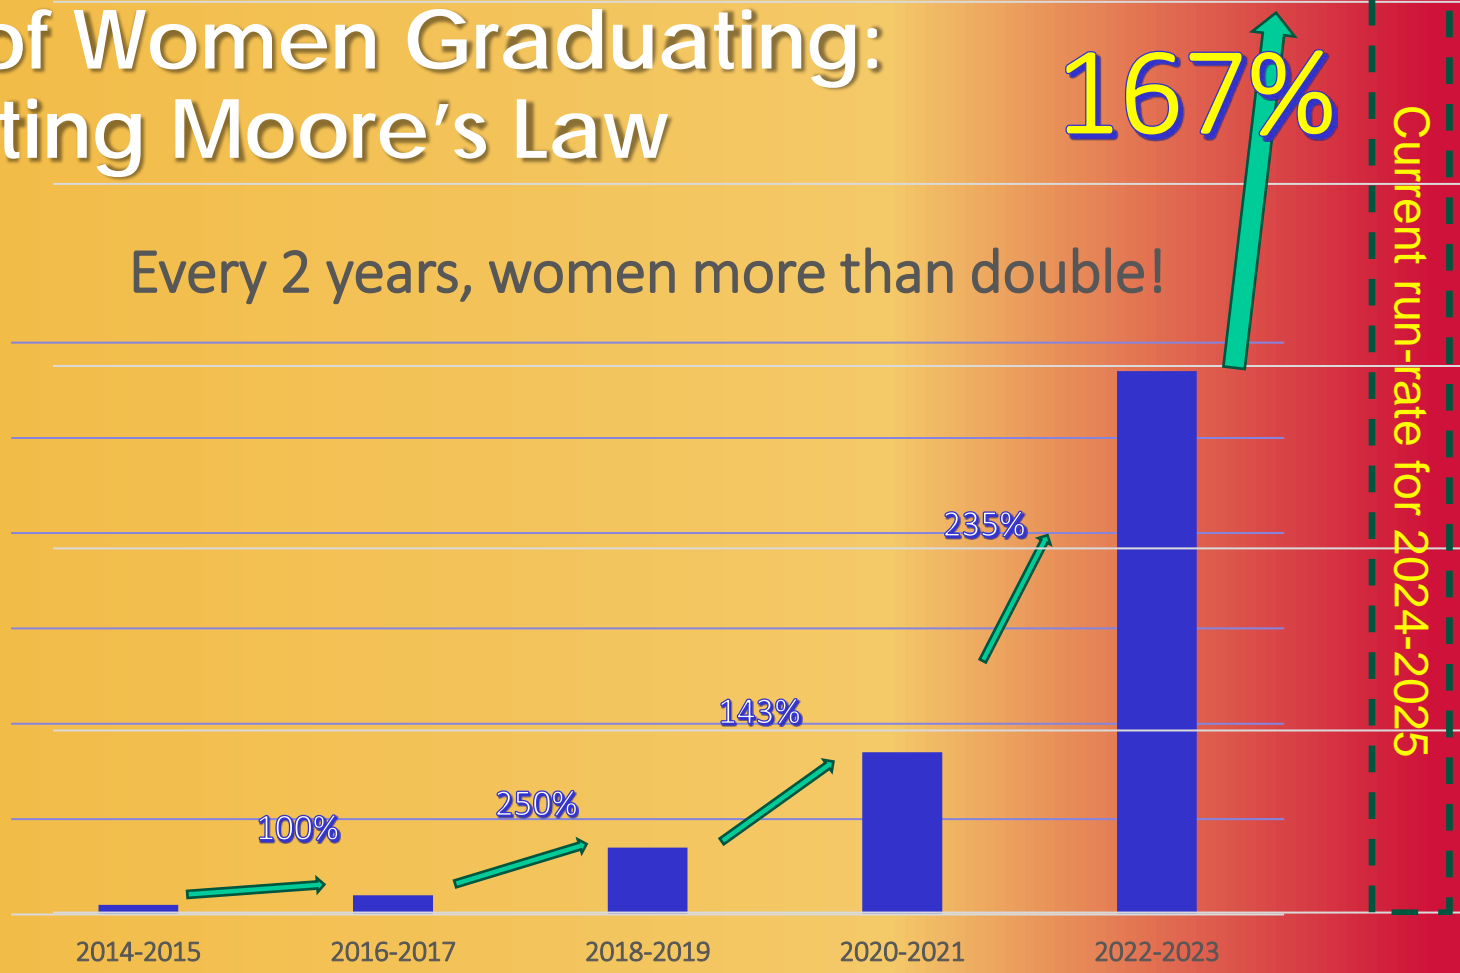

Number of Women Graduating: Beating Moore's Law

167%

Every 2 years, women more than double!

| period | numbers | growth |
|------------------|---------|--------|
| 2014-2015 | 1 | |
| 2016-2017 | 2 | 100% |
| 2018-2019 | 7 | 250% |
| 2020-2021 | 17 | 143% |
| 2022-2023 | 57 | 235% |
| Q1 2024 run-rate | 152 | 167% |

*The data counts each woman every time she attended a course, reflecting the number of seats occupied rather than the distinct number of women.

Thank you CTRO - and thank
you all for your attention!
